

THE INTRIGUE AND MYSTERY OF CHABLIS - A WINE THAT CANNOT BE REPRODUCED - LIES DEEP IN THE SECRETS OF THE EARTH. INFLUENCED BY THE ELEMENTS OF SUN, AIR, WATER AND EARTH, OCEANA STANDS ALONE AS THE MOST EXCEPTIONAL OF THEM ALL, SHAPED BY FOSSILS AND SHELLS OF MOLLUSKS AND CRUSTACEANS...AND THE MYSTERY OF THE MERMAID

TASTING NOTES

The 2015 Oceana Chablis presents as a delicate, pale yellow in color. You are immediately drawn into the glass as notes of lime and wet stone with hints of chalk and citrus blossom greet you on the nose. As you begin to taste, the palate follows the nose, and is well balanced between citrus notes and minerality, with a gentle reminder of kaffir lime leaves. The bright acidity and spreading mid-palate lead to a lingering, stony finish. The elegant balance found in this glass of wine make it a delight to enjoy on its own or paired with food.

Pair with fresh uni or bigeye tuna tartare.
